„Standards and  
Construction Law“

Technical and legal standards  
influence the construction law.  
Their validity is often ambiguous.  
It's time for an analysis.

# ESCL Congress Vienna 2016

European Society of  
Construction Law

ASI  
Heinestraße 38  
A-1020 Wien

Thursday, October 6 2016 –  
Friday, October 7 2016
